Astron. Astrophys. **355**, L27–L30 (2000)

Due to an unfortunate error Figure 1 and 2 were identical. Following this page the complete paper will be printed once again including the correct Figure 1.

---

\* Based on observations made with the ESA Hipparcos astrometry satellite. The catalogue is distributed on CD-ROM and through the astronomical data centres, and further information is given on the website <http://www.astro.ku.dk/~erik/Tycho-2>.
